

TrendHive

Where Designers Thrive

Made with GAMMA

The Designer's Dilemma

Fragmented & Invisible

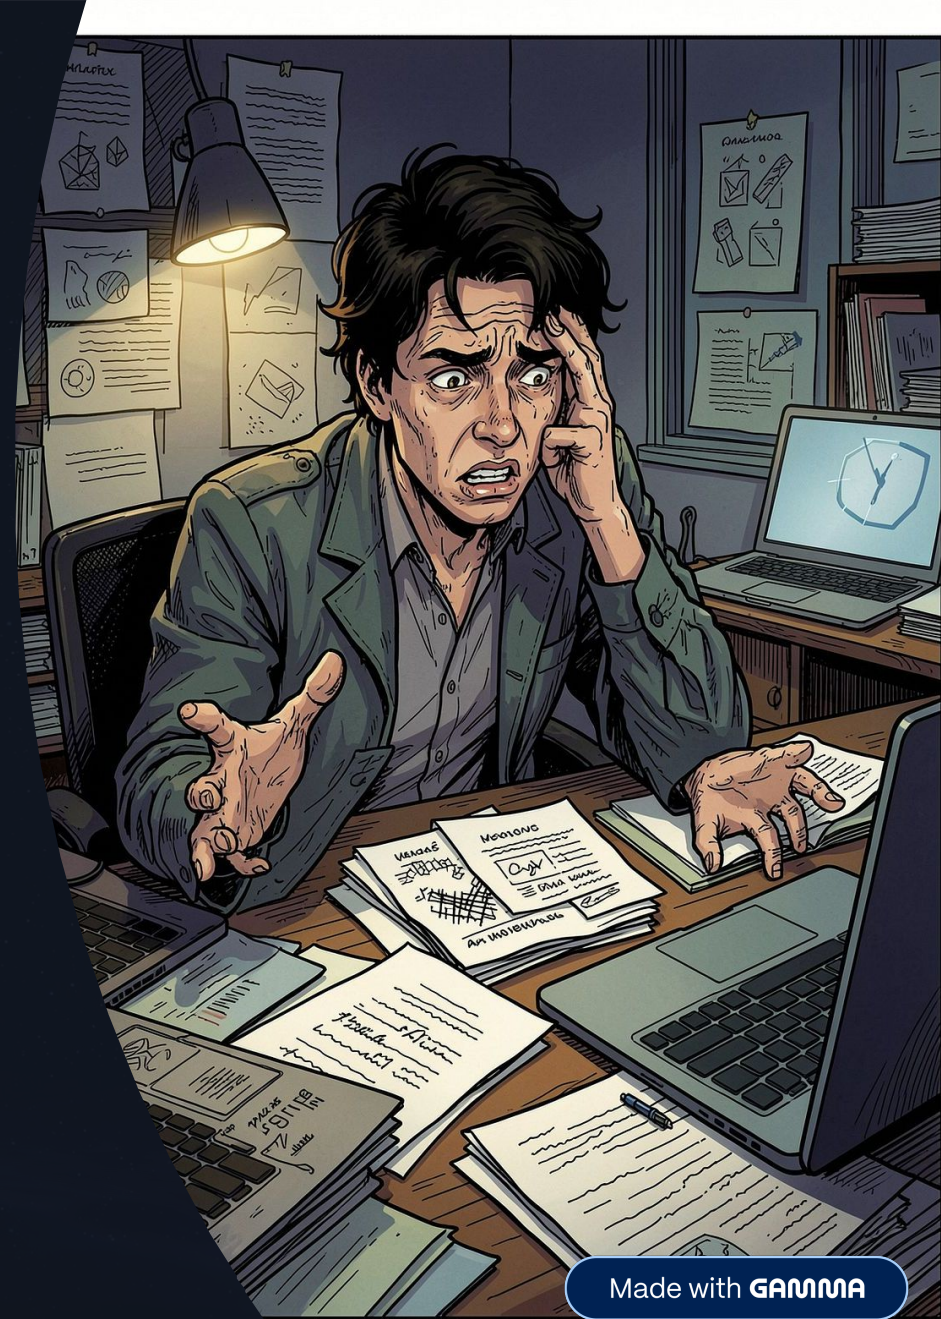

Talented designers scattered across platforms with no unified home — exposure limited, growth stalled.

Unpredictable Income

Gig to gig, platform to platform — no stability, no loyalty, no compounding success.

One Ecosystem Changes Everything

TrendHive brings your portfolio, clients, tools, and community into one powerful home base.

Showcase Your Genius

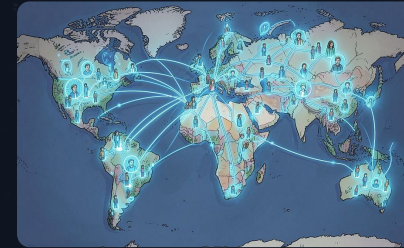

Dynamic Portfolio

AI-powered layouts that adapt to your unique style — your work always looks its absolute best.

Trend Discovery

Real-time insights into what's selling now — stay ahead of the curve, always.

Global Visibility

Reach **500K+ design-hungry buyers** every single month. Your audience is already here.

Collaborate & Earn

Your talent deserves real reward. TrendHive strips away the middlemen so more money lands in your pocket — every time.

85%

You Keep

Of every dollar earned — always.

∞

Royalties

License designs, earn forever.

→ **Direct Client Connections**

Skip middlemen entirely — negotiate, create, and get paid directly.

→ **Project Marketplace**

Browse vetted opportunities perfectly matched to your skills and niche.

→ **Passive Income Engine**

License your designs once, earn royalties forever. Your portfolio works while you sleep.

Tools Built for Creators

Smart Analytics

Track views, saves, and buyer intent in real-time. Know exactly what resonates — and double down on it.

Collaboration Suite

Work seamlessly with other designers on shared projects. Bigger ideas, bigger outcomes, together.

Rights Management

Protect your work with **blockchain verification**. Your intellectual property, locked and verified forever.

Community That Lifts You Up

Weekly Challenges

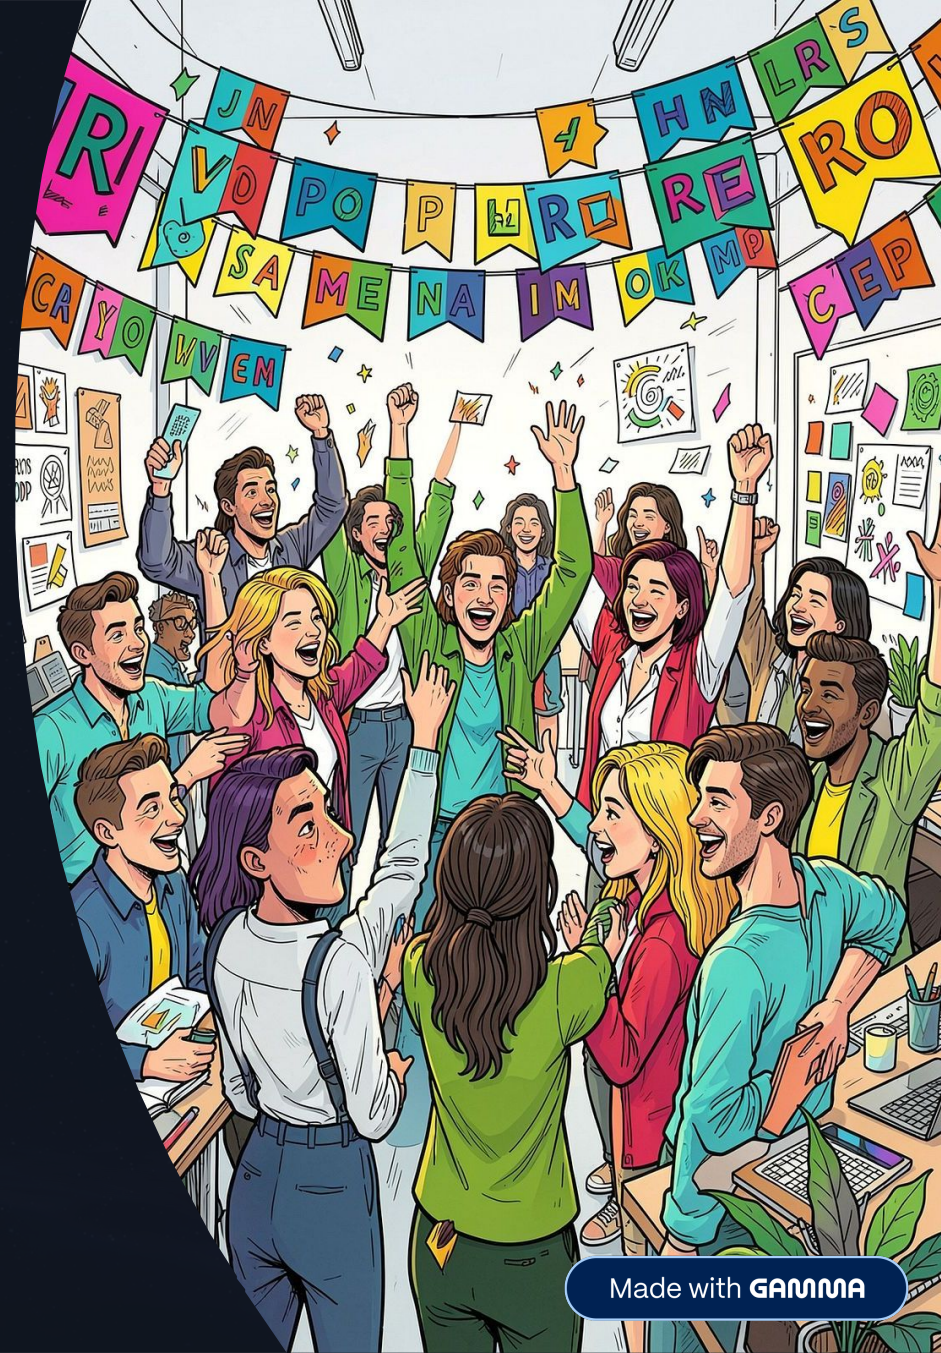

Compete in design challenges with real cash prizes — sharpen your skills and earn recognition.

Mentorship Access

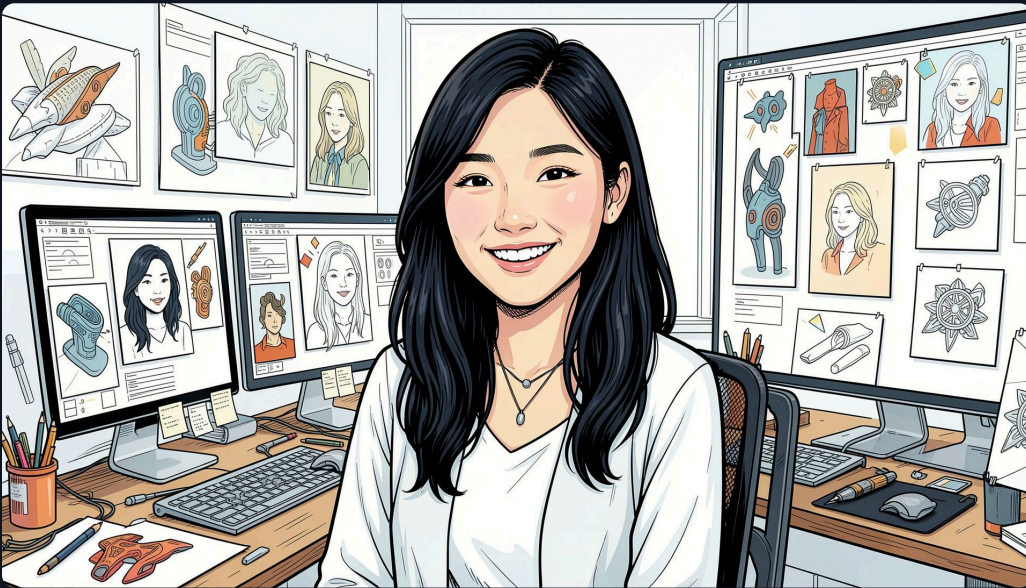

Learn directly from industry veterans who've built the careers you're aiming for.

Exclusive Insights

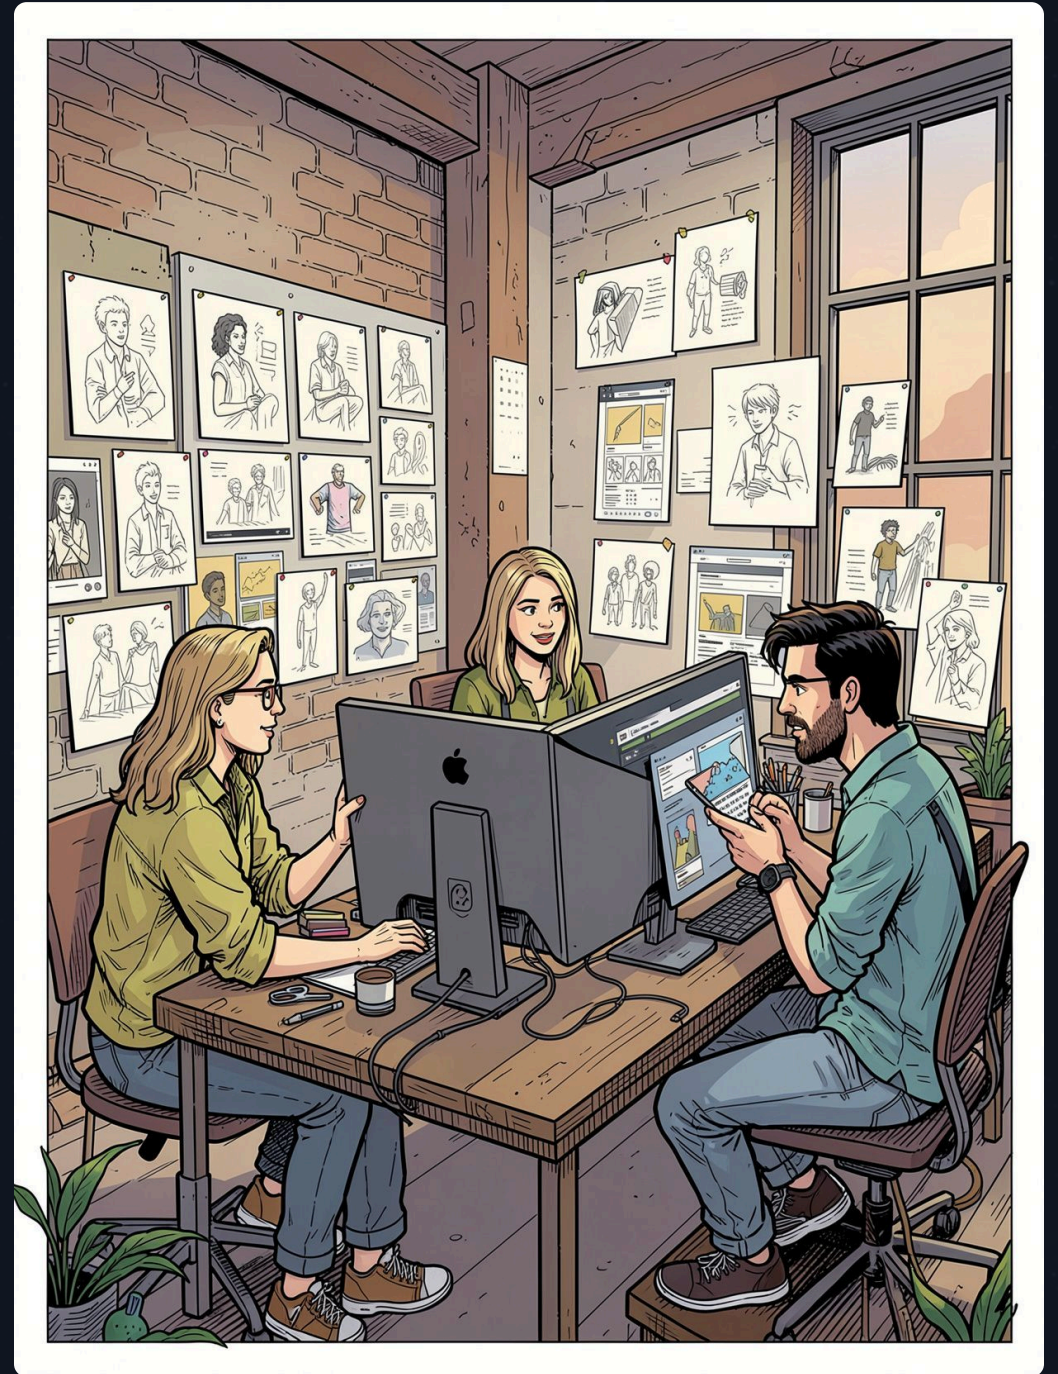

Unlock trend reports and industry intelligence reserved for TrendHive members only.

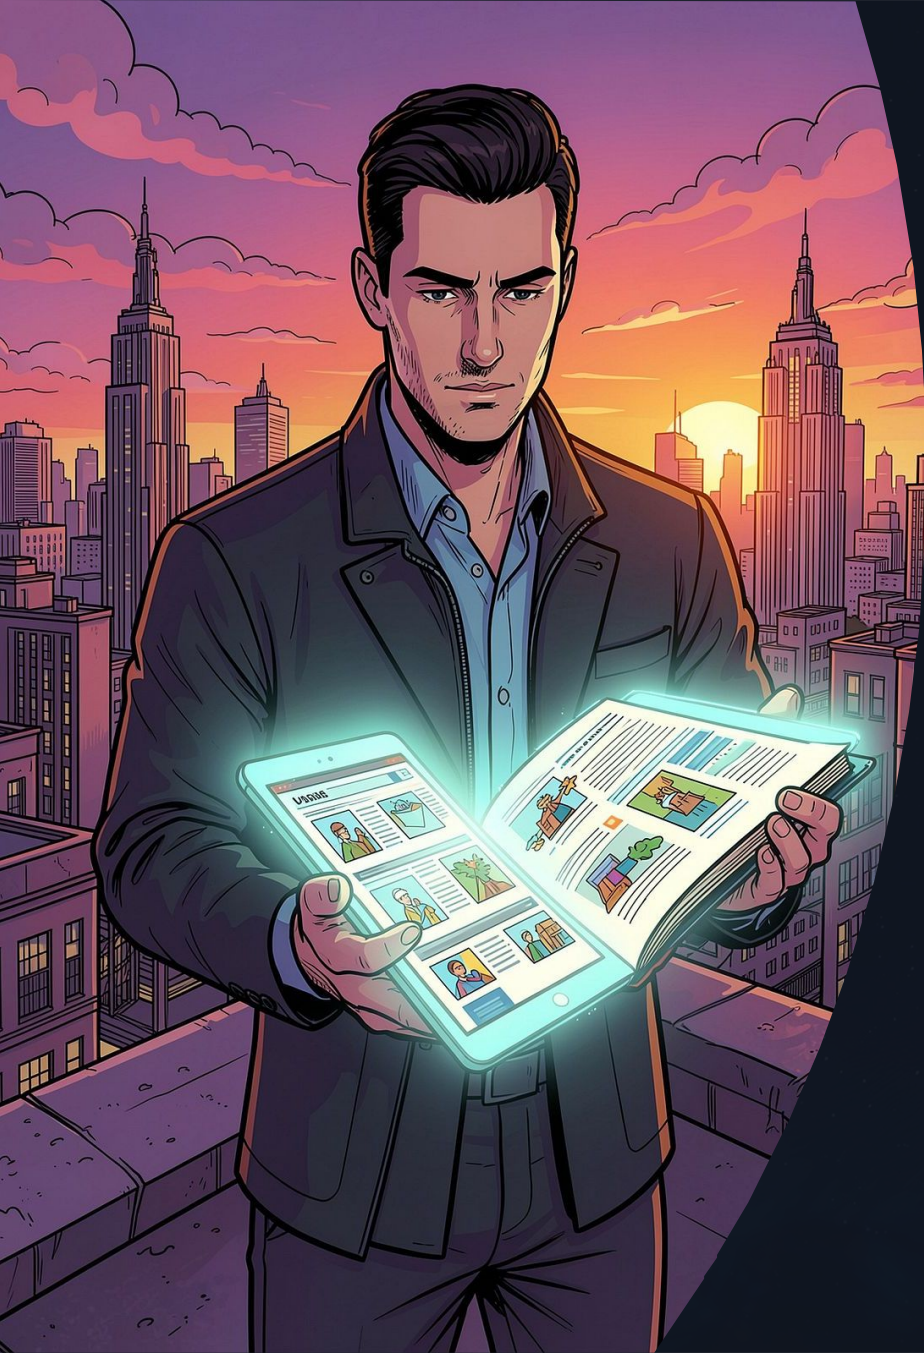

Success Stories

Maya Chen — went from solo freelancer to **\$120K/year** in just **8 months** on TrendHive. Her AI portfolio tripled her inbound client requests within the first 30 days.

Studio Collective — 3 designers united on TrendHive now run **50+ active projects simultaneously**, leveraging the Collaboration Suite to scale what none of them could achieve alone.

Join TrendHive Today

Your next breakthrough is waiting. Build your empire, one design at a time.

Build

Launch your AI-powered portfolio today.

Connect

Land clients. Skip the middlemen.

Thrive

Earn more. Create freely. Grow forever.
